Chapter Directors Visit Investment Clubs

To gain a better understanding of what Maine's investment clubs are attempting to achieve, and to bridge the gap between the clubs and the Chapter, Directors Greg Spitzer and Pat Browne will be making visits to a few of Maine's clubs. Club members can offer ideas and suggestions on future workshops and how the Maine Chapter can better server our clubs. No teaching can take place at these visits. So far, we have visited the 55 Plus Investment Club in Brunswick, and visits are planned to Cape Elizabeth and Castine. If your club would like a Chapter visit, please call either (207) 846-9037 or (207) 283-0735.

Happy investing....
