

## Space Coast Chapter Member and Guest Each Win a Laptop Computer from BetterInvesting

In February, BetterInvesting participated in the four day World Money Show held at the Gaylord Palms Hotel and Convention Center in Kissimmee. Over 11,000 visitors attended the annual Show. As the "Local Chapter," the Space Coast Chapter Directors helped "man the booth." BetterInvesting's booth was located in the **TOP** spot in the show room which helped draw many interested visitors. We had computers to demonstrate the BI software and many directors to explain our process. Twelve classes were taught by members of the Computer Group Advisory Board and the NIA Board. The classes drew quite a bit of interest and were always filled. Personnel from National were abundant - there was always someone to explain BetterInvesting and our methodology - and to sign up new members. BetterInvesting provided a little fun to the days. A drawing was held hourly for a copy of *Take Stock*. For the **BIG** drawing, a BetterInvesting member and a non member friend could sign to win **A COMPUTER - EACH!** And among attendees from all over the world, guess who won? A Space Coast Chapter member and her friend!

### Computer Winners - What a surprise!

Michele Burier of Debary, FL has attended the World Money Show in Orlando for many years, but this time she was in for a big surprise. Michelle and her friend, Kay Hazzard of Casselberry, FL were the lucky winners of the drawing held by BetterInvesting at the show. And the prize? A brand new laptop computer for each of them!

Michelle is a current member of BetterInvesting and we hope that Kay will become a member shortly. The computers were presented to Michelle and Kay at the Casselberry, FL Library on Saturday, 18 March 2006 by Space Coast Chapter President, Mary Peters and Marcelle Hobbs, Vice President, Orlando area. The winners were ecstatic! And to their delight, Director, Ken Peters got them "up and running" - ready to go - with their new computers.

The World Money Show is held annually in Orlando and many other cities. An impressive list of speakers from all facets of the investing world - all the "talking heads" make for several interesting days. The showroom features a large selection of companies dealing with finance. With the exception of a very few speakers, it is all free - no charge for admission. Keep you eye open for the 2007 World Money Show and plan to attend. If not for all four days, at least one or two.
