## Delaware Blue Hen Chapter

(a non profit all volunteer organization)  
Investment education for individuals and clubs

This year's Annual Meeting and Chapter Kickoff will be held on Saturday, September 14<sup>th</sup>, at the Stanton Middle School. The morning will include a talk by past president, Rajeev Vaidya, on "Warren Buffet Investment Concepts", a glimpse of "How the Model Club can Help Your Club", and an "Open Forum" for any and all of your questions involving Clubs and Investing. Election of Your Chapter Directors will also take place, so come enjoy the morning with us and take part in Your Chapter's Future.\*

The upcoming calendar will include all of our basic classes for beginners and new club members. We will also include the past years additions of PMG and PERT as well as a new offering, "Selling Basics". When to Sell seems to be a topic that many of us find most challenging, "Selling Basics will give you some guidelines.

As an added service, our instructors will come out to you and teach your entire club. If interested please contact the chapter contact for additional information regarding fees.

Register early! This year, the club (excluding the Model Club) that has the greatest attendance at the Annual Meeting, with over five club members attending, will win a \$250 prize. So join us for coffee, pastries, learning and probably some laughter.

If you have any questions, send us an email or come to the annual meeting and talk to us.

We look forward to seeing you!!! Happy Investing!!

Blue Hen Chapter President
