BetterInvesting prorates the dues at \$2.00 per month according to the number of months remaining on the club membership. For example, in August, a club with a February renewal date would have a cost of \$10.00 (5 issues of *BetterInvesting Magazine* remaining X \$2.00 a month). Your club membership number and renewal date appear above your name on your *BetterInvesting Magazine* label. Simply use this form and make payment to BetterInvesting by check, money order, Visa, Mastercard, or Discover via fax, mail or from our website, www.betterinvesting.org. To determine the prorated amount, you can also contact us toll free at 1-877-275-6242 or by email at:

service@betterinvesting.org

Replace an active club member with a new member at no cost to BetterInvesting.

Attach an additional page if adding more than 6 members.

_____ x \$2.00 = \$ _____ x _____ = \$ _____
months remaining **new members** **TOTAL**
